

Winter

'Can You Find?' Poster

Can you find these things in the picture?

a robin
a child sledging
a pile of snowballs
a snowflake
a lit up house with smoking chimney
a frozen lake/stream
a boy
a girl
a snowman
a tree without leaves

What has happened to the lake?

What is that coming out of the chimney?

How many snowmen can you see?

Do you like playing in the snow? What does it feel like when you get snow inside your clothes?

Why are the children wearing hats, gloves and scarves?

What will happen to the snow if the sun comes out?
